Dear Students, Parents, and Carers

As we approach the culmination of your career at Cowley Sixth Form, I want to emphasise the importance of focused revision and coursework completion in the coming weeks. With approximately **seven weeks** remaining until the start of examinations, which includes the two-week Easter holiday, we need to ensure that students are in the best possible position to achieve their goals and move onto their chosen progression route.

Our dedicated and experienced staff are working tirelessly, both in and outside of lessons, to provide high quality learning experiences. We are also pleased to share that many of our teachers are volunteering their time over the Easter holiday to run masterclasses.

Additionally, we are proud to offer Excel Hours, where teachers are providing extra support through lunchtime and after college revision sessions, in the weeks leading up to the examinations. Details of these sessions will follow in due course.

Preparation and commitment are key to your success, alongside support from college and home and will mean that you are fully equipped to take on the rigorous challenges ahead with confidence.

We kindly ask for support from parents/carers, not only in encouraging attendance at these extra sessions, but also in ensuring that students remain committed to their revision and coursework completion.

If you have any questions, please feel free to contact the Sixth Form Team.

Yours sincerely

Danny Watkins
Head of Sixth Form

Enc. Masterclass timetable
