Higher Education Opportunities in Sport: Guest Talk Inspires Year 12 Students

Cowley Sixth Form College recently welcomed a visitor from the Wigan Athletic Community Trust to deliver an engaging and informative talk to our Year 12 BTEC Sport students, focusing on the exciting Higher Education pathways available within the sports industry.

The session introduced students to two fantastic progression routes: the Foundation Degree in Community Football Coaching and Development and the Foundation Degree in Sports Coaching and Development, both delivered in partnership with the University of South Wales.

Students gained valuable insight into the structure of the courses, entry requirements, assessment methods, and the wide range of career opportunities they can lead to, from coaching and community development roles to sports performance, education and leadership careers.

The talk also highlighted the strong emphasis on practical experience, employability and real-world application, giving students a clear picture of how these programmes support their long-term ambitions. Our students were highly engaged throughout, asking thoughtful questions and showing real enthusiasm for the pathways on offer.

We would like to thank the Wigan Athletic Community Trust for providing such a valuable opportunity and for inspiring our students to consider their next steps within the sports sector.

UNIVERSITY OF SOUTHAMPTON AND THE SUTTON TRUST SUMMER SCHOOL

7-10 JULY 2026

Join us on campus for a **4-day, 3-night programme**, giving you the opportunity to experience the **academic and social side** of university life. You'll be provided with **free accommodation and meals** for the duration of the residential.

You'll get to meet our enthusiastic team of current students studying the courses you are aspiring to, as well as academics, researchers, and alumni. This residential is open to Year 12 or Level 3 (Year 1) students who meet our academic and **Widening Participation eligibility criteria** (see overleaf).

During the 4 day programme, you will:

- experience student life through clubs and societies, activities, tasters, and tours
- receive information and guidance around the topics of student finance and the cost of living as a student
- have the opportunity to socialise with others and meet like-minded individuals through a variety of social activities
- stay in student halls
- plan a meal on a budget
- tour the city of Southampton with a current student
- experience teaching and research within a subject area
- find out where our graduates ended up after they studied at UoS

Degree Programmes/ Subject areas on offer for 2026

- Biological Sciences
- Business
- Economics
- Engineering
- Geography
- History and English
- Law
- Physics

ELIGIBILITY

To be eligible, applicants must;

- attend, and have always attended, a state-funded, non-fee paying school or college.
- be studying in Year 12 in England or Wales, Year 13 in Northern Ireland, or S5 in Scotland.
- be taking relevant and required qualifications and subjects for their chosen taster degree subject.

Applicants must also meet at least one of the following Widening Participation criteria:

- be the first generation of your family to attend university.
- have received free school meals while at secondary school.
- attend a school or college with below average attainment or a low rate of progression to the top third of higher education institutions.
- live in a neighbourhood with a low rate of progression to higher education and/or a high level of socio-economic deprivation.
- be or have been, looked after or in care.

APPRENTICESHIPS

What is an apprenticeship?

An apprenticeship is a paid job where the employee learns and gains valuable experiences. Alongside on-the-job training, apprentices spend at least 20% of their working hours completing classroom-based learning with a college, university or training provider which leads to a nationally recognised qualification.

An apprenticeship includes:

- paid employment with holiday leave
- hands-on-experience in a sector/role of interest
- at least 20% off-the-job training
- formal assessment which leads to a nationally recognised qualification

Please click [here](#) for full listings of Higher and Degree Apprenticeships with more than 2000 listings from over 80 employers, including locations, salary information and direct application links.

For further information and to apply for apprenticeships, please visit the [National Apprenticeships website](#).
